

Graduate & Cadet Program 2027

Accru⁺
Felters

Build a career with people who invest in you!

Our Graduate and Cadet Program is designed to grow capable and confident professionals through hands-on experience, structured training and genuine mentoring. Graduates have the opportunity to complete the CA Program, while cadetships support ambitious students pursuing an accounting degree. With flexible study arrangements and exposure to a broad mix of clients and industries, you will develop practical skills from day one.

Become a Chartered Accountant

Accru Felters provides graduates with the opportunity to pursue CA accreditation through access to structured training, hands-on experience and supportive mentoring. Combined with study support and exposure to diverse clients, the CA program builds a strong professional foundation and long-term career credibility.

About us

Accru Felsers is a trusted mid-tier accounting and advisory firm with a global outlook and local expertise. Founded in 1941, we specialise in supporting national and international businesses, combining technical excellence with genuine care.

Accru Felsers is a member of the Accru Group, a top tier network of independently owned accounting firms throughout Australia, ranking among the top 30 in the country and celebrated for exceptional client service, including multiple wins of the AFR Client Choice Awards.

We are proud of our culture, which is built around supporting our employees, clients and community. We recognise the importance of flexible work arrangements and promote work-life balance, career development, inclusion, diversity, and equality.

Our Partners and Managers encourage open communication, fairness and flexibility. Whether it's your career aspirations, study pressures or a desire to work overseas at some point, you'll find people to talk to who will support you.
